

Honors/Scholarship Awards Ceremony

Tuesday, April 16, 2024

6:30pm

- 👉 Students should arrive by **6:00** and sign in at the tables in the lobby. Please make sure your guests are with you as well.
- 👉 Students will be seated on the right front section of the auditorium. Please find your name on your seat and sit in it promptly. Your guests will need to find seats in one of the other sections of the auditorium.
- 👉 The attire for the evening is **business attire—students should wear a shirt and tie, dress pants or dress or skirt, and dress shoes—EXACTLY** what you must wear for graduation. Be mindful that you will be walking up stairs and across the stage and back downstairs when you choose your shoes. **Shorts, jeans, and tennis shoes are not appropriate for this event.** Some of you may be getting up and down several times, so keep this in mind.
- 👉 Please be respectful of all speakers and presenters and do not hold private conversations OR have your cellphones out—this is EXTREMELY rude and disruptive.
- 👉 Every recipient will enter the stage on the right (if you are facing the stage) and will exit on the left to return to his/her seat. Please make sure you follow the prescribed traffic pattern when returning to your seat so you are not blocking the view of others.
- 👉 Honor grads will be called up a row at a time and will line up on the wall on the right side of the auditorium just at the bottom of the stairs. When you return to your seat, you will come down the ramp, go up to the back of the auditorium and come down the last aisle to your row and your seat. (Staff will be directing you to and from the stage)
- 👉 Groups that are called on stage, such as college and university award recipients will walk on stage, form a line facing the audience and allow all recipients to be called prior to exiting. (UCF and SSC)
