

This Week at Hagerty High School...

Principal's Message January 12, 2024

Welcome back! I hope that everyone had a fantastic holiday break. We are excited to have our students and staff back on campus for the second semester. This week, we have had an issue with students parking in the student parking lot who do not have parking passes. I have made announcements to alert students that we are stickering vehicles that are parked on campus without a valid parking pass and recording those license plates. If the same vehicle continues to park on campus, then we will begin towing cars at the owner's expense this week. We are sold out of parking passes and our waiting list is currently full. Sophomores are NOT allowed to park on campus during the school day. Please let this also be notice to parents that we will tow cars if necessary.

Our annual Husky Highlight Curriculum Night will take place on Monday, January 22nd. The event will begin at 6:00 pm with presentations in the Auditorium followed by several smaller presentations and an open house to all of the courses that we have to offer at 6:45 pm. The initial presentation in the Auditorium is primarily for those who will be new to Hagerty, but the open house portion of the evening is designed for ALL students and parents to get more information about the courses that we have to offer prior to registration for courses for next year. Please see the attached flyer for more information and make plans to join us on Monday, January 22nd!

Have a great weekend! Go Huskies!

Student Services

CLASS OF 2024:

- **IMPORTANT:** review the attached senior update from Mr. Frasca regarding coursework completion requirements and credit recovery. Seniors who failed a required course for semester 1 are advised to see their counselor ASAP to discuss options for credit recovery.
- Use [THIS](#) link to report scholarship decisions. See the attached flyer for more information.

Course selection for 2024-25:

- Students will receive Course Registration Planning Forms and view a registration presentation beginning next week in science classes.
- Students who are not taking a science course on campus or miss viewing the presentation in class may find it on the HHS website [HERE](#).
- Pay careful attention to this presentation as it shares important information about registration resources, timelines and graduation requirements.
- School Counselors will be available to answer questions during both lunches on Tuesdays & Thursdays, January 18th -February 1st
- Save the date for Husky Highlight Curriculum Night: January 22, 2024, 6:00PM. See the attached flyer for details.

Please check the [Student Services 2023-24 Canvas Page](#) regularly for important announcements, scholarships, volunteer opportunities, college visits and much more!
